

A Fundraising Opportunity

You likely purchase cleaning products, vitamins, and health and beauty aids regularly. Right? More than likely your answer is a resounding YES. That is why we are excited about the Shaklee Fundraising opportunity. With Shaklee, you have the chance to make a real difference for our **iLead Foundation** on an ongoing basis. Now you have the power to help our school every time you make a purchase by redirecting your choices to Shaklee non-toxic cleaners and health product alternatives. In turn, **iLead Foundation** receives income from the sale of every product you make directly from our free online store that they have provided for all of our convenience. Go to: iLead.myshaklee.com It's that simple to raise money. We can in turn redirect our freed up time from managing the much needed fundraising to where it should be best invested – *your children*.
