Your Personalized Health Builder

Your health goals are unique to you and each member of your family which is why you need a plan designed specifically for you to achieve optimal health.

Shaklee Healthprint is a **FREE** powerful tool that harnesses the work for award-winning Shaklee doctors, scientists, and nutritionists to create nutrition plans customized for you. Answer a few questions and we'll recommend a combination of products that are personalized for your individual needs. We will also provide you with health insights and recommendations to help point you down the path to a healthier life.

Each member of your family can participate and get your personal score and tips. You can choose to follow the suggested tips and come back to take the assessment to see how your score improves.

Go To: iLead.myshaklee.com

How It Works

1. Take a few minutes to answer the questions on the health assessment.
2. Within seconds you can review a variety of health tips and insights based on your answers. You will also get your FREE report sent directly to your email for future review and to keep track of your progress.
3. Choose a customized set of Shaklee products that fits your health goals, needs and budget.
