SCVi Charter School is hosting the 6th annual Express'tival art festival at their campus in Castaic on April 24.

The student-led event will showcase student art and allow guests to enjoy live entertainment, dance performances and interactive activities for all ages from 1 p.m. to 7:30 p.m.

"Express'tival was formerly known as the Kids Creating Art Festival, even though its name has changed the idea has remained the same," said Sara Brown, Community Outreach Coordinator for SCVi Charter. "We are excited because we always want to connect with the community and especially this year we are seeing more people getting involved with the event."

Art exhibitions from the SCVi Senior Art Show and Santa Clarita Artists Association will also be available for viewing during SCVi's event.

Spongebob and The High Seas Band featuring Tom Kenny, the voice of Spongebob Squarepants, will be featured as one of the main events.

Additional entertainment and activities for guests will include carnival characters, a petting zoo, games, vendors, food and a learner's entrepreneur fair.

For more information about Express'tival contact Karla Kelman at (818) 531-1951.
