## **Kids sing, dance for Winter Spectacular**

For The Signal  
December 20, 2011

Santa Clarita Valley International Charter School students showed off their artistic skills during the school's fourth annual Winter Spectacular on Dec. 8 and 9.

The kids performed at Higher Vision Church as part of the community event that featured singing and dancing from all grade levels. This year's theme was "The World Within Our Grasp," and tickets were sold out.

The school decided to stream the show live online for SCV International family members and friends who were unable to attend.
