

Playwork Recess and Art Sheds

Dear Parents,

The learners are having a fantastic time creating with the recyclables during Playwork recess and lunch. We are ready to launch our new ART SHED at the end of this month. Learners will have access to paint and other art medium in addition to the Playwork Shed. Combined, we will have tons creative freedom at recess and lunch. However, to continue to provide innovative outdoor activities, we need your help.

We will consistently need the following items to stock both sheds. We greatly rely on your support and donations and thank you in advance for partnering with us to make your child's school experiences rich with self-expression, creativity, innovation, and fun!

Items:

Playwork Shed
