

You're Invited to Join Our PAC! (Parent Action Collaboration)

Dear Parents,

We're inviting you to make a difference and join our PAC! Studies consistently show that learners with parents involved in their schools thrive and succeed at higher rates!

The reasons that parent involvement increases a child's success are many. Simply letting a child know you care and are invested enough to be involved in their school life sends a clear message about the VALUE of their school, their education and the CHILD!
