

Staff Appreciation Week

Please join us in showing our appreciation to the facilitators and all staff for all that they do to help our children become learners and future leaders.

Each Day we will focus on showing our gratitude toward a different department... Bring a flower, make a card, or something that never goes out of style... simply say Thank you. And if you're so inclined, you can give a gift of gratitude.

We have over 120 staff members who are all involved in ensuring your child's academic and emotional growth, as well as making sure they're safe and cared for every day.
