Delilah Perez, iLEAD AY

Mission 11 Winning Patch 5-12  
Nikias Tziviskos-Lainfiesta, SCVI

This is ground control to all learners...

You are invited to participate in

**iLEAD Student Aerospace Projects**

## **2019 DreamUp Mission Patch Design Competition**

Time to put your design helmets on because the two winning patches will accompany our experiments on board the ISS!

**Two separate competitions: K-4 & 5-12 • Due date: November 28th, 2018**

Mission Details:

Designs can be hand-drawn or digital art and printed on paper. Patch should be no bigger than 3.5-inches x 3.5-inches

**The mission patch should include the words  
iLEAD, DreamUp and Mission 2019**

Designs should be full color!

Each site will submit their winning designs which will then be submitted to professional designers who will choose our top two patch designs
