

2019-2020 Family Guidebook

Free To Think. Inspired To Lead.

INTRODUCTION

Welcome to SCVi Charter School! You are part of a ground-breaking, innovative program designed to meet your child's individual needs and to foster in them a love of learning and the desire to be the leaders of the future.

SCVi Charter School may be different than some of your child's previous educational experiences. First, your child will participate in an interdisciplinary academic learning environment where they will make connections among various areas of study including language arts, history, science, the arts and technology. This setting will allow them to move at their own pace through inquiry-based learning strategies. Your child will also learn experientially through many field trips visiting local parks, beaches, organizations, businesses, and museums. Participation in these experiences will help your child apply his or her classroom learning. Finally, your child's growth will be measured along a continuum and in a variety of ways that demonstrate learning. In essence, your child will be empowered to take ownership of his or her learning experience.

Your experience as a parent at SCVi Charter School may also be different than what you have experienced at your previous schools. To make the transition a smooth one for your learner(s) and yourself, we encourage families to keep updated and informed about school events and parent programs. We encourage and depend upon our parents to be actively engaged both in and outside of their learner's classroom. You will work harder here as a parent, but your rewards will be tenfold. If you feel that you need support in any given area, please don't hesitate to ask for a meeting with your child's classroom facilitator, or another adult on campus that can advocate for you or your child. We work as a team in this environment and the only effective way to do that is to communicate and ask questions.

The Family Guidebook is designed to share SCVi Charter School's philosophy, expectations for learners and families, and other school information.

iLEAD SCHOOLS EDUCATIONAL OVERVIEW

OUR MISSION AND VALUES

iLEAD Schools Mission Statement

Free to Think. Inspired to Lead.

iLEAD Schools Values

iLEAD Means...

International

Learning foreign languages and cultures makes our learners compassionate, open-minded world citizens.

Leadership

Practicing for a lifetime of listening, collaborating, inspiring and leading.

Entrepreneurial Development

Encouraging learners to work in teams, take risks and learn from failure, nurtures the ability to innovate and ignites their entrepreneurial spirit.

Arts

Creating & exploring the world through the artistic experience enhances all subject areas for our learners.

Design Thinking

Participating in project-based learning leads to more meaningful experiences and a deeper understanding for our learners.

At iLEAD Schools we are not teaching static facts to students, we are facilitating a dynamic process with our learners. We believe that education is not the filling of a vessel, but rather, the lighting of a flame.

OUR METHODOLOGY

Project-Based Learning (PBL)

Over the past 100 years, the world we live in has radically changed. If we as a society are going to keep up, the way we educate our children must also change. Project-based Learning (PBL) is a teaching methodology that actively engages learners by challenging them to deeply investigate a personally interesting and complex

question, problem or challenge. Then from this deep investigation, create and publically present something unique and original and authentic in response.

Project-Based Learnings' time has come. The experience of thousands of teachers across all grade levels and subject areas, backed by research, confirms that PBL is an effective and enjoyable way to learn – and develop deeper learning competencies required for success in college, career, and civic life. Why are so many educators across the United States and around the world interested in this teaching method? The answer is a combination of timeless reasons and recent developments.

Through the PBL methodology, our learners develop the skills, aptitudes, and attitudes necessary to discover their own path and lead the way into the future. The development of rigorous, authentic projects helps learners bridge the gap between simply remembering instructions and becoming independent lifelong learners.

PBL makes school more engaging for learners. Today's learners, more than ever, often find school to be boring and meaningless. In PBL, learners are active, not passive; a project engages their hearts and minds, and provides real-world relevance for learning.

PBL improves learning. After completing a project, learners understand content more deeply, remember what they learn and retain it longer than is often the case with traditional instruction. Because of this, learners who gain content knowledge with PBL are better able to apply what they know and can do to new situations.

PBL builds success skills for college, career, and life. In the 21st century workplace and in college, success requires more than basic knowledge and skills. In a project, learners learn how to take initiative and responsibility, build their confidence, solve problems, work in teams, communicate ideas, and manage themselves more effectively.

PBL helps address standards. The Common Core and other present-day standards emphasize real-world application of knowledge and skills, and the development of success skills such as critical thinking/problem solving, collaboration, communication in a variety of media, and speaking and presentation skills. PBL is an effective way to meet these goals.

PBL provides opportunities for students to use technology. Learners are familiar with and enjoy using a variety of tech tools that are a perfect fit with PBL. With technology, facilitators and learners can not only find resources and information and create products, but also collaborate more effectively, and connect with experts, partners, and audiences around the world.

PBL makes teaching more enjoyable and rewarding. Projects allow teachers to work more closely with active, engaged learners doing high-quality, meaningful work, and in many cases to rediscover the joy of learning alongside their students.

PBL connects students and schools with communities and the real world. Projects provide learners with empowering opportunities to make a difference, by solving real problems and addressing real issues. Learners learn how to interact with adults and organizations, are exposed to workplaces and adult jobs, and can develop career interests. Parents and community members can be involved in projects.

Not just knowing but also DOING

PBL allows learners to apply their learning in real-world scenarios.

High levels of engagement

PBL gives learners a voice in their own education, activating their interest, which allows for greater and deeper learning!

True learning

PBL allows us to teach, observe, and measure growth of marketable 21st Century skills such as communication, critical thinking, and collaboration.

Focusing on your learner, not the curriculum, brings learning to life

PBL develops self-empowered learners who can analyze the world they live in, design a better tomorrow, and go create it!

Social and Emotional Learning (SEL)

It takes more than book-smarts to be an effective leader in the 21st century. Today's leaders must possess the ability to successfully manage themselves and others. In the digital world we live in, these vital skills are becoming more and more scarce. If schools are not teaching them, we are not preparing our learners. **Social and Emotional Learning (SEL)** teaches learners to manage their emotions, resolve conflict, and make responsible and well thought out decisions.

Implementation and evaluation (assessment) of SEL has become an integral part of our approaches to teaching and learning through Project-Based Learning. Based on practices such as the 7 Habits of Highly Effective People/Kids/Teens® (Stephen/Sean Covey) and Character Lab® aspects (Learner Outcomes), we measure and report SEL progress as part of every project, ILP (Individualized Learning Plan) goals, and Reports of Progress. We have also developed SEL and Academic Rigor rubrics that add a well-balanced approach to mindfulness and reflective practice for facilitators, learners, parents, and administrators.

Other elements of SEL implementation, practice and assessment include: Leader Led Conferences (LLCs); Presentations of Learning (POLs); Passion Projects; Individualized Learning Plans (ILPs); Advisory Program; Learner Driven Ambassador Groups and Class Greeters.

CURRICULUM

The research-based instructional approach of project at SCVi Charter School is differentiated to engage learners through hands-on, serious, authentic experiences across subject areas. This methodology allows facilitators to address learners' individual differences, variations in learning styles, intelligence and abilities. Rather than relying on any one series of books, textbooks or guides, we employ multiple materials, resources and strategies to best meet the needs of individual students.

Curriculum is implemented with the following best practices in education:

Global Understanding: 21st Century learners are faced with the challenge of engaging in an increasingly interdependent world where knowledge is constantly developing and evolving. Rigorous curriculum covering

global connectivity will give learners a sense of belonging in our ever changing world and prepare them to thrive in the global marketplace upon graduation and post-college. Exploring diverse cultures will give learners a positive attitude toward learning and greater understanding of the world around them.

Engaging Curriculum: Our curriculum delivers the California content standards through relevant learning experiences that engage learners' interests as they discover underlying concepts and develop a deep understanding of subject matter. Learners are active participants in meaningful exploration, engage in hands-on activities and experiences that build on their prior knowledge. Projects are used as a teaching tool to focus on higher order thinking and real world skills. We will encourage learners to apply their understanding in projects that gradually introduce more complexity, more learner-driven choice of topics and products. The goal is to foster self-motivation and self-directedness, as each learner discovers her or his unique strengths.

Multi-age Groupings: Research supports environments with two or more grades that allow learners the flexibility to progress at their own pace along a continuum of achievement. As such, select grade levels at iLEAD Charter School are multi-age environments.

Facilitator Continuity (Looping): Multi-year relationships between facilitator and learner provide for deeper knowledge to guide instructional decisions and familiarity with the social-emotional health of a learner (Anderson and Pavan, 1993).

Advisory/Morning Meetings: Research shows that when learners feel connected to their school, they do better academically. One of the ways we achieve this with Middle and Diploma Programme learners is through our advisory program. In small group settings, we explore the causes and effects of cultural, personal, and community events. Our primary learners participate in daily morning and/or 'family' (classroom) meetings that provide an opportunity to witness and display social problem solving skills and interactions. These meetings provide learners with the forum to develop social and emotional skills needed to thrive in a collaborative environment.

California State Academic Standards: California along with most other States developed and adopted common academic standards in core curriculum areas. They are rigorous, internationally benchmarked, and research- and evidence-based.

Each state, and each district in California decides how they will teach and what resources they will use. More information can be found at <https://www.cde.ca.gov/re/cc/> or <http://www.corestandards.org/>. California's computer-based student testing system that ties the standards for English language arts, mathematics, and science is called the California Assessment of Student Performance and Progress (CAASPP). The assessments include the Smarter Balanced Assessment Consortium (SBAC) assessments, California Science Tests (CAST), California Alternate Assessments (CAA), and Standards-based Tests in Spanish (STS) for Reading/Language Arts. Parents can exempt their child(ren) from CAASPP testing by submitting a letter in writing annually. More information about the CAASPP can be found at www.cde.ca.gov/ta/tg/ca/. [EC 60119, 60604.5, 60615]

Health/Sex Ed: In accordance with California Assembly Bill No. 2601, which amends existing law, the California Healthy Youth Act, requires charter schools to ensure that all pupils in grades 7 to 12, inclusive, receive comprehensive sexual health education and human immunodeficiency virus (HIV) prevention education, as specified.

INDIVIDUAL LEARNING PLANS (ILPs) and LEARNER LED CONFERENCES (LLCs)

Each year, learners along with their facilitator(s) create an ILP to guide instruction. Each learner, along with his/her family and facilitator, work together to monitor the ILP and make adjustments, as needed. The primary goal of the ILP is to ensure that each child will be treated as an individual and therefore will be working toward attainable goals appropriate to his/her individual development.

Throughout the year, learners will review learning outcomes and set individual goals. They will learn to evaluate their progress toward those goals, starting at a basic level when they are younger and improving their ability to self-assess over time. Throughout the year, learners will meet with their facilitator and their parent(s) to look critically at what they have accomplished both in formal settings as well as at home with their families. At the end of the spring semester our learners will present their progress in the Learner Led Conference (LLC) Presentations.

Portfolio-based LLCs will help ensure that learners are accountable to themselves, their families, their teachers, and the school community as a whole. Additionally, the experience creates a powerful incentive for learners to develop their skills, through the communication of high expectations, public display of meaningful work, and opportunities to showcase talents in modalities that best suit learners' distinct learning styles.

STAFF

See the SCVi Charter School website at <https://ileadsantaclarita.org/> for staff listings and biographies.

POLICIES

Our school is governed by a set of Policies and Procedures that are updated regularly. If you are interested we encourage you to make an appointment to review the policies and procedures by contacting registrar@scvi-k12.org

SECTION 3:

DAILY OPERATIONS

DROP OFF AND VALET PROCEDURES

SCVi Charter School offers a convenient valet drop off system. This is the safest and most efficient way to drop off your learner(s). We strongly encourage all families, regardless of the learner's grade level, to use the valet system.

For the safety of all learners and to alleviate traffic in front of school, please drop off at the specified valet only. If you would like your child to enter at the front entrance. Please park in the designated parking stalls and walk them in or have the use the designated sidewalk and crossing guard.

In order to keep the learners and families safe before and after school, we ask that you follow these parking lot procedures when driving your child to the SCVi Charter School campus;

- Drive slowly and watch for families and children walking through the parking lot;
- Do not use your cell phone while driving in parking lot;
- Give your attention to driving and exiting safely;
- Primary Grade children should be accompanied through the parking lot by a parent or older sibling.

Please help us keep the valet line safe and efficient by following these guidelines:

- Have your child seated so that he/she/they can exit quickly.
- Be prepared- have your child ready to exit with backpack/school work/ lunch in hand.
- Please pull forward and wait for a valet attendant before exiting the vehicle.
- Make sure your child has exited safely and all volunteers are at a safe distance away from your vehicle before you drive away from the valet drop off area.
- If you need to get something out of your trunk, please park in the parking lot.

For a map and more information please visit our website:<https://ileadsantaclarita.org/>

ATTENDANCE

We try to make every minute of school engaging for the learners, and our expectation is that all learners will be at school on time and for the entire course of the school day. Learners arriving late could miss important beginning of the day information that is relevant to their education. Arriving on time also allows your child to settle in and feel prepared before class begins. It's a great way to ensure a positive start to each day!

Absence

If your child is going to be absent, please email us at absence@scvi-k12.org or call the attendance line at (661)705-4820 on the morning of the first day of the absence. You may leave a voicemail message when the

office is closed. You may also visit our website at <https://ileadsantaclarita.org/> and choose the "Quick Link" drop down, choose "Report an Absence" and complete the quick online absence report.

Tardiness

We ask that you contact the school if you know your child is going to be tardy. Consistent tardiness will result in learners missing valuable time with their classmates and will require them to make up missed activities.

Truancy

Learners are expected to be in school every school day. Any learner who is absent from school without a valid excuse (46010, 46010.3, 48205 Ed. Code) is considered truant. Missing a class period without a valid excuse is also considered truancy. Truancy is a serious offense and may lead to serious consequences.

Illness

Any child who becomes ill while at school will be taken to the Health Office and parent(s) will be called to pick up the sick child. Please note that your child needs to be fever free for 24 hours before returning to school.

If your child needs to take prescription medication on a temporary or permanent basis while at school, an authorization to administer medication must be on file at the school. This form is available on the web-site: **Enrollment forms** [iLEAD Medication Form](#)

BEFORE AND AFTER SCHOOL CARE:

iLEAD SCVi Charter School offers our own unique after school care program, **iCREATE**. iCREATE is an innovative after school program providing learners a safe and welcoming space to exercise their mind, heart, body and creative spirit. Learners are guided through daily activities in the areas of science, arts, engineering, music, and indoor and outdoor activities, extending the philosophy of iLEAD Schools. Learners are inspired to grow their own creative after school experience.

iCREATE is available for learners in grades Kindergarten through Seventh grade, Monday through Friday. We are so excited to announce that beginning this Fall semester, 2019 iCREATE will be apart of the Little iLEADers family. Little iLEADers after school care will continue to focus on the developmental needs of all children and structures its environment with respect to each child's particular learning style. Families will continue to have the same extended day options through Little iLEADers. Little iLEADers iCREATE After School program will offer extended day options until 6:00 p.m. M-F and on all school extended breaks throughout the 12 month calendar year, excluding major holidays.

If you plan on having your child attend for the fall 2019 after school program, please take a moment and click on the following link:

<http://littleileaders.org/register>

If you have any questions please contact:

Candice Butera at candice.butera@littleileaders.org or

Wendy Ruiz at wendy.ruiz@littleileaders.org

SCHOOL LUNCH PROGRAM

iLEAD SCVi Charter School offers a school lunch program. For more information on the program and meal charge policy, please see the SCVi Charter School website at <https://ileadsantaclarita.org/>.

ENRICHMENT ACTIVITIES

SCVi Charter School offers several clubs, sports and enrichment classes. For a list of current ongoing extra-curricular offerings, please see the SCVi Charter School Events Calendar at: ileadsantaclarita.org/events

TRANSPORTATION

SCVi Charter School does not provide transportation. Families need to arrange their own transportation to and from campus/studio. There is bus transportation available from the San Fernando Valley through our Scarlet Foundation. For more information, please email Bus@ScarletParents.org. Field Studies participation includes transportation details and are arranged on a per field study basis. Please see individual Field Study documentation for further information.

LOTTERY GUIDELINES

As a charter school, SCVi Charter School is a school of choice, and may have more students interested in attending the school than there are spaces available. If the number of students who wish to attend the school exceeds the openings available, entrance shall be determined by single random public drawing in accordance with Education Code §47605(d)(2) and all federal requirements.

SECTION 4:

LEARNER CONDUCT

EXPECTATIONS FOR SCHOOL BEHAVIOR

SCVi Charter School strives to present our learners with opportunities that exceed those available at most traditional schools. Our learners also accept a sense of responsibility that in many ways exceeds that which is expected at a traditional school. We expect each child to do his or her best, both academically and behaviorally. If there's a problem, we personally speak with the learner, discuss the options for making good decisions, set appropriate consequences, and strive to help the learner internalize the importance of taking responsibility for his or her own learning and behavior. As a framework for this, we have expected learning results.

At SCVi Charter School we utilize **Love and Logic®** to embrace each learner's uniqueness while modeling and expecting appropriate behavior. Our SCVi Charter School expectations for school behavior are:

- I will do nothing to harm myself or others
- I am responsible for my behavior
- We are each other's keepers
- I take pride in myself and in my work
- I will leave it better than I found it.

At the beginning of the school year, and at intervals throughout the year, we discuss these goals and principles with the learners, come to a common understanding of what they mean and why they are important, and then help our learners to incorporate them into their daily lives.

Parents are encouraged to participate in the Love and Logic® courses offered at SCVi Charter School throughout the year.

CONSEQUENCES

In addition to Love and Logic, our school focuses on Restorative Practices. This is an approach to resolving conflict and is used for preventative measures. Restorative Practices refer to a range of approaches including talking circles and peer mediation and utilizes strategies to rebuild relationships.

There are age appropriate consequences for not adhering to the behavior guidelines. Along with the Restorative Practice approach, family and staff will work together to make decisions that are in the best interest of the child. The following are examples of consequences that allow flexibility for individuals and varying situations.

- **Warning and reminder:** This may take place in or out of the classroom.
- **Reflection time:** This allows children to cool off and the situation to diffuse before it becomes a larger issue. A reflection time may take place in the office or outside of a classroom.

- **A respectful, related consequence:** This step allows the flexibility for a child or adult created consequence. For instance, if a child wrote on a table, the consequence may be to clean the tables.
- **A disciplinary referral to the office:** This consequence reflects the seriousness of the situation. At this time, the learner will meet with an administrator, describe what happened, what she or he could have done differently, and what could be changed at the school that could prevent this from happening again.
- **Suspension/parental supervision :** The child would not be allowed to attend school. This would include extra-curricular activities during the suspended time period.
- **Emergency Removal:** See *Emergency Removal* section on the next page.

SUSPENSION/EXPULSION PROCEDURES

Rules of suspension and expulsion must follow due process mandates. They are stated below.

Suspension

- The school administrator or administrative designee can suspend a learner.
- No suspension shall exceed five (5) school days.
- The administrator must directly contact parent/guardian regarding the learner suspension and reasons why.
- The learner must be given the right to appear at a conference before the Administrator. At the conference, the learner shall be informed of the reason for the disciplinary action and the evidence against him/her/them and shall be given the opportunity to present his/her/their version and evidence in his/her/their defense.
- A written notice of suspension must be sent or given within one school day to the parent, guardian, or custodian of the learner. The notice must contain the reasons for the suspension and the right of the learner to appeal the suspension.
- A parent/guardian has the right to appeal the suspension, which must be submitted, in writing, to the Administrator within fourteen (14) calendar days of the written notice of suspension. The Administrator shall immediately forward this written appeal to the appeals officer assigned by iLEAD Education as the Board of Director's designee.

Note: A learner under a suspension shall have the right to make up all academic work missed. From the day he/she/they return to school, the number of days given to accomplish this make-up work shall equal the number of suspension days.

Expulsion

- Only the School Director can recommend expulsion. EDN 48900
- The School Director may grant an extension of time. If granted, the Administrator must notify all parties, in writing, of the new time and place for the meeting.
- The written notice is to include reasons for the recommended expulsion.
- The learner and parent must have an opportunity to appear, on request, before the school Administrator to challenge the recommendation for expulsion, or to otherwise explain the learner's actions that led to the intended expulsion.

- The parent/guardian may be given the opportunity to withdraw the learner before a decision to expel takes place. It should be noted, however, that when such learner is withdrawn, the expulsion process must continue to be followed to its conclusion
- Only the governing board may make the decision to expel a learner. Following that decision:
- The letter of expulsion is sent.
- Within one (1) school day, the Administrator shall notify the Registrar, in writing of the decision to expel.
- The parent/guardian has the right to appeal the expulsion, which must be submitted, in writing, to the school Administrator within fourteen (14) calendar days of the written letter of expulsion. The Administrator shall immediately forward this written appeal to the appeals officer assigned by iLEAD Education as the Board of Director's designee.

EMERGENCY REMOVAL

The school Administrator may perform an emergency removal of a learner from curricular or extracurricular activities or from the grounds if a learner's presence poses a threat and/or danger to any person or property, or if the learner's presence poses an on-going disruption to the educational process. This removal may be done without immediate notice or hearing.

If the removal leads to a suspension any learner so removed shall be given written notice and provided with a hearing within three (3) school days after removal as defined in the Suspension section of this Handbook. If it is probable that the learner is going to be recommended for expulsion, the expulsion process shall be conducted in accordance within the Expulsion section of this Handbook.

LEARNER (or STUDENT) SEARCH

The school director or administrative designee may search the person of a learner, the learner's locker, backpack or purse if there is a reasonable suspicion to believe the learner may have a concealed weapon, narcotics, stolen property, or contraband. [U.S. Supreme Court Case: New Jersey v. T.L.O. (1985) 469 U.S. 325]

RELEASE OF LEARNER TO PEACE OFFICER

If an SCVi Charter School official releases your learner from school to a peace officer for the purpose of removing him/her from the school premises, the school official shall take immediate steps to notify you or a responsible relative of your learner, except when a learner has been taken into custody as a victim of suspected child abuse. In those cases, the peace officer will notify the parent or guardian. [EC 48906; PC 11165.6]

PARENT RESPONSIBILITY

Parents or guardians are liable for all the damages caused by the willful misconduct of their minor children, which result in death or injury to other learners, school personnel, or school property. Parents are also liable for any school property loaned to the learner and willfully not returned.

The school may withhold the grades, diplomas, or transcripts of the learner responsible until such damages are paid or the property returned, or until completion of a voluntary work program in lieu of payment of money. [EC 48904, Civil Code 1714.1]

If your child commits an obscene act or engages in habitual profanity or vulgarity, disrupts school activities or otherwise willfully defies the authority of school personnel, and is suspended for such misconduct, you may be required to attend a portion of a school day in your child's classroom. [EC48900.1]

SECTION 5:

TECHNOLOGY

ELECTRONICS

Cell phones, tablets, and other electronic items are often used for instructional practices. We are guiding our learners in appropriate use of technology, helping them to make appropriate choices concerning these items. We realize that many parents give their children cell phones for safety and convenience. We ask that learners limit use of the phones during the school day to academic purposes only. Families may contact their child in an emergency situation by calling the school office and learners may use cell phones or school phones to contact families in an emergency. Learners should respect their facilitator's requests regarding appropriate time to use technology. Should technology disrupt the learning environment or if used inappropriately, parent/guardian will be notified and cell phones or other devices will be stored in a safe place and returned to the learner at the end of the school day. Continuous misuse of technology will result in consequences.

INTERNET USAGE

SCVi Charter School's computers have access to the Internet. The school works diligently to protect our learners from inappropriate content. The SCVi Charter School staff work closely in training our learners as to the appropriate use of the Internet. Before using the Internet, parents and learners should read the following "Network Use Guidelines." All parents and learners must also sign a Student & Parent/Guardian Network Responsibility Contract.

NETWORK USE GUIDELINES

Please read the following carefully. This will give you information about the privileges and responsibilities of using the Internet as part of your educational experience. The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual people.

Learners will have access to:

1. Electronic mail (e-mail) communication with people all over the world.
2. Information and news from a variety of sources and research institutions.
3. Public domain and shareware software of all types.
4. Discussion groups on a wide variety of topics.
5. Many university libraries, the Library of Congress, and more!
6. Educational Software

Giving our learners the skills to thrive in the 21st Century means giving them access to technology. With computers as part of every classroom curriculum, SCVi Charter School uses very strong guidelines for Web usage and Internet security. We comply with the level of security that the Children's Internet Protection Act requires. While we have filters at the network level for inappropriate Websites, there are still instances when those Websites can come through. Please be assured that SCVi Charter School remains committed to restricting the use of such Websites.

Our school is taking reasonable precautions to restrict access to “harmful matter” and to materials that do not support approved educational objectives. However, on a public network it is impossible to control all materials. “Harmful matter” means matter that, taken as a whole by the average person applying contemporary statewide standards, describes in a patently offensive way material which lacks serious literary, artistic, political, or scientific value for minors (Penal Code, section 3 13).

The facilitators/staff will choose resources on the Internet that are appropriate for classroom instruction and/or research for the needs, maturity, and ability of their learners. SCVi Charter School takes no responsibility for the accuracy or quality of information from Internet sources. Use of any information obtained through the Internet is at the user’s risk.

The purpose of schools having access to the Internet is to support research and education in and among academic institutions by providing access to unique resources and the opportunity for collaborative work. The use of the internet must be in support of education and research and consistent with the educational objectives of SCVi Charter School.

Transmission of any material in violation of any federal or state law is prohibited. This includes, but is not limited to, the distribution of:

1. Any information which violates or infringes upon the rights of any other person.
2. Any defamatory, inappropriate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material.
3. Advertisements, solicitations, commercial ventures, or political lobbying.
4. Any information which encourages the use of controlled substances or the use of the system for the purpose of inciting crime.
5. Any material which violates copyright laws.
6. Any vandalism, unauthorized access, “hacking,” or tampering with hardware or software, including introducing “viruses” or pirated software, is strictly prohibited.
7. The use of the Internet is a privilege, not a right, and inappropriate use will result in cancellation of these privileges.

NETIQUETTE (Network Etiquette)

The use of the Internet requires that you abide by accepted rules of network etiquette. These include, but are not limited to, the following:

1. Be polite. Do not send abusive messages to anyone.
2. Use appropriate language. In all messages, do not swear or use vulgarities or any other inappropriate language. Anything pertaining to illegal activities is strictly forbidden.
3. Maintain privacy. Do not reveal the personal address or phone numbers of yourself or other persons. Before publishing a learner’s picture, first name, or work on the Internet, the school must have on file a parent release authorizing publication.

4. Respect copyrights. All communications and information accessible via the network should be assumed to be the property of the author and should not be reused without his/her permission.
5. Do not disrupt the network. Do not use the network in a way that would disrupt the use of the network by others.
6. Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem, you must notify SCVi Charter School staff.
7. Vandalism will result in cancellation of privileges. This includes, but is not limited to, the uploading or creation of computer viruses.

SUPERVISION AND MONITORING

School and network administrators and their authorized employees monitor the use of information technology resources to help ensure that uses are secure and in conformity with this policy. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks in order to further the health, safety, discipline or security of any student or other person, or to protect property. They may also use this information in disciplinary actions, and will furnish evidence of crime to law enforcement.

CYBERBULLYING

SCVi Charter School provides learners with instruction, in the classroom or other educational settings, that promotes communication, social skills, and assertiveness skills and educates students about appropriate online behavior and strategies to prevent and respond to bullying and cyberbullying. School staff shall receive related professional development, including information about early warning signs of harassing/intimidating behaviors and effective prevention and intervention strategies. Parents/guardians, learners, and community members also may be provided with similar information.

Any learner who engages in cyberbullying on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline in accordance with school policy. If the student is using a social networking site or service that has terms of use that prohibit posting of harmful material, the School Director or designee may also file a complaint with the Internet site or service to have the material removed.

SECTION 6:

POLICIES AND PROCEDURES

ATTIRE

We do lots of walking, running, sitting on the carpet, art, etc. Therefore, our parents and learners have found that loose-fitting, comfortable clothing and closed-toed sneakers or comfortable walking shoes work best at our school. Distracting clothing is discouraged and although we do not wish to limit our learners' freedoms by imposing guidelines we will contact the parents to inform them about the inappropriate choice of clothing when necessary.

COMPLAINT PROCEDURE

It is always our intent to resolve concerns in the simplest manner for all. If a parent has a classroom concern, it is expected that he/she/they will try to resolve the concern with the classroom facilitator. If the concern is not resolved, please bring your concern to the school administration. Every effort will be made to find a fair resolution through a personal conference or a meeting between the parties involved.

FIELD STUDIES

Throughout the school year, learners will take many trips, often planned through facilitator and parent collaboration. These trips are a part of SCVi Charter School's project-based curriculum and may include walking trips, trips by private or school vehicles, and buses. Participation is a vital part of the learning process and is strongly encouraged.

A walking field trip permission slip is completed as part of the enrollment packet. Signing the form indicates you have granted your child permission to participate in SCVi Charter School's ongoing walking field trip program throughout the school year. Facilitators will not send home trip slips for each individual walking field trip.

Field Trip Permission Slips will be required for all non-walking field trips. Learners must have a permission slip on file in order to participate in a field trip.

Approved volunteers* are encouraged to accompany your child's class on a field trip, please let the facilitator know in advance. We appreciate all volunteers for trips. *See Family Expectations for information on the volunteer process.

EMERGENCY MEDICAL AUTHORIZATION

Each parent is asked to complete the Emergency Medical Authorization portion of the Enrollment/Information Form and Emergency Contact Information. These forms will include the necessary information the school must have should an emergency arise. It is extremely important that the authorization and Emergency Contact Information be fully completed.

LEARNER MEDICATIONS ASSISTANCE

If your learner requires emergency or other medications (such as an inhaler, epi-pen, or oral medication), it must be prescribed by a doctor and will be kept in a locked compartment in the front office. A parent or guardian must complete a Request for Assistance Concerning Learner Medications form prior to the learner attending classes at SCVi Charter School. This form is available in the front office or on the SCVi Charter School website at: <https://ileadsantaclarita.org/>

EMERGENCY PROCEDURES

DRILLS

Emergency drills, such as earthquake and fire drills are conducted during the school year. Drills are serious practice so that everyone will be prepared should an emergency occur. Procedures are reviewed with all staff who teach them to learners.

If an emergency occurs during regular school hours, learners will be directed by their facilitator to follow emergency procedures for the specific event. If an emergency occurs when the learners are not on-site, learners will be directed to the supervising aid, parent volunteer or other school staff member. These supervisors will call SCVi Charter School to provide an update and next steps.

ACTUAL EMERGENCY

If an emergency extends beyond the end of the school day, learners will not be released until it has been determined that it is safe to do so. In the case of an emergency, parents or an emergency contact are expected to sign learners out, regardless of grade.

If damage is extensive, we ask that you park your car away from the valet areas and walk to the designated location to pick up your child. It is important to keep any lanes open for emergency vehicles only.

When you arrive at the school, an emergency response team (made up of public servants, staff and volunteers) will direct you to the appropriate check out area to sign out your child. If the school building is not considered safe, learners will be congregated in the parking lot away from all buildings. A phone message will be sent to your primary phone number with directions on where to pick up your child. Please do not leave the school.

SCHOOL SAFETY PLAN

A Comprehensive School Site Safety Plan has been adopted at SCVi Charter School. This plan is available upon request from the school office.

PARENTS' RIGHT TO KNOW FACILITATOR QUALIFICATIONS

Parents may request the following regarding their child's facilitator(s):

- Licensure and certification information
- Emergency or provisional teaching certificate
- Educational background
- Qualifications of Instructional Aides (if applicable)

STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records.

For more information on FERPA, visit the U.S. Department of Education's website at: <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

SERVICES TO DISABLED PUPILS

If you have reason to believe your learner has a disability requiring special services or accommodations, please notify the school through verbal or written communication.(tell or write the school.) Your learner will be evaluated to determine whether he/she/they are eligible for free special or modified instruction or services. The school has policies guiding procedures for identification and referral. Learners identified with special needs will receive a Free Appropriate Public Education in the least restrictive environment. [EC 48853, 56020 et seq., 56040, 56301; 5 CCR 4622; 20 USC 1412, (10)(A)(ii), 1412(a)(6)(A); 34 CFR 300.121]

PUPIL FEES

SCVi Charter School is a tuition-free public school and does not have any mandated fees.

SEXUAL HARASSMENT

SCVi Charter School is committed to maintaining a learning and working environment that is free from sexual harassment. Any learner who engages in sexual harassment of anyone in or from the school may be subject to disciplinary action up to and including expulsion. The school strongly encourages any learner who feels that he/she/they are (is) being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another learner or adult to immediately contact his/her/their facilitator, the director, or any school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the director. Once notified the director or designee shall take the steps to investigate and address the allegation.

Any employee who permits, engages in, or fails to report sexual harassment shall be subject to disciplinary action up to and including dismissal. For a copy of the school's sexual harassment policy or to report incidences of sexual harassment, please contact the school office at: (661) 705-4820.

NON DISCRIMINATION

SCVi Charter School is committed to providing a safe school environment where all individuals in education are afforded equal access and opportunities. The school's academic and other educational support programs,

services and activities shall be free from discrimination, harassment, intimidation, and bullying of any individual based on the person's actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. Specifically, state law prohibits discrimination on the basis of gender in enrollment, counseling, and the availability of physical education, athletic activities, and sports. Transgender learners shall be permitted to participate in gender-segregated school programs and activities (e.g., athletic teams, sports competitions, and field studies) and to use facilities consistent with their gender identity. The School assures that lack of English language skills will not be a barrier to admission or participation in School programs. Complaints of unlawful discrimination, harassment, intimidation, or bullying are investigated through the Uniform Complaint Process. Such complaints must be filed no later than six months after knowledge of the alleged discrimination was first obtained. For a complaint form or additional information, contact the school office at (661) 705-4820.

SAFE PLACE TO LEARN ACT

SCVi Charter School is committed to maintaining a learning environment that is free from discrimination, harassment, violence, intimidation, and bullying based on actual or perceived characteristics set forth in Section 422.55 of the Penal Code and EC 220, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. All school personnel who witness an act of discrimination, harassment, intimidation, or bullying must take immediate steps to intervene when safe to do so. Any student who engages in acts of discrimination, harassment, violence, intimidation, or bullying related to school activity or school attendance occurring within a school of the school district may be subject to disciplinary action up to and including expulsion. To report an incident and/or to receive a copy of the school's antidiscrimination, anti-harassment, anti-intimidation, and anti-bullying policies, please contact the district office at (661) 705-4820.

FOSTER YOUTH

Foster and homeless youth are allowed educational rights, such as: immediate enrollment, remain in school of origin, enrollment in local comprehensive school, partial credits, graduation with state minimum requirements with possible fifth year/exemption from local graduation requirements, and access to academic resources, services and extracurricular activities. A local educational agency must provide a remedy to the affected pupil following the Uniform Complaint Procedures.

LCFF and LCAP

The school LCAP is available for viewing on our website <https://ileadsantaclarita.org/> and is updated annually.

SCHOOL ACCOUNTABILITY REPORT CARD

The school SARC is available for viewing on <http://sarconline.org> and is updated annually.

DRUG AND ALCOHOL/TOBACCO PREVENTION

SCVi Charter School functions as a drug, alcohol, and tobacco free workplace.

PESTICIDE USE

SCVi Charter School may utilize outside companies to control pests. If, in any given situation, non-chemical methods of pest management are ineffective and it is deemed necessary to use a pesticide during the school year, the area of application will be placarded in advance, as required by law. Parents or guardians who wish to be personally notified of any pesticide applied at SCVi Charter School, please contact the office at (661) 705-4820.

MENTAL HEALTH AND SUICIDE PREVENTION POLICY

The Governing Board recognizes that suicide is a major cause of death among youth and should be taken seriously. In order to reduce suicidal behavior and its impact on learners and families, the Director(s) or designee shall develop preventive strategies, intervention and postvention procedures. The purpose of this policy is to protect the health and well-being of all (district?) SCVi Charter School learners by having procedures in place to prevent, assess the risk of, intervene in, and respond to suicide.

In developing measures and strategies for use by the School, the School Director or designee may consult with school health professionals, school counselors, school psychologists, school social workers, administrators, other staff, parents/guardians, learners, local health agencies, mental health professionals, and community organizations. Please contact the school office at (661) 705-4820 for more information.

SECTION 8:

FAMILIES AND SCVi CHARTER SCHOOL WORKING TOGETHER

FAMILY PARTICIPATION EXPECTATIONS

SCVi Charter School seeks to make education a community passion. To this end, parent participation is essential to the success of the education process. Parents are strongly encouraged to participate in the operation of the school as an integral part of the staffing and support team and with the charter staff in the development and successful completion of the individual learning plan for your child.

It is because of families like you that we are able to offer such a unique program for our children here at SCVi Charter School.

Volunteering and participation are always optional. We do strongly encourage participation in order to foster the home-school connection and work tirelessly to create a culture where families feel welcome to come onto campus often, but of course, we understand that is not an option for every family. If possible, families are asked to participate 40 hours per year, which works out to 1 hour per week or 4 hours per month. These hours can be earned through a variety of opportunities intentionally designed to accommodate a range of schedules and ability to participate, including classroom volunteering, operational / facilities assistance, relevant professional expertise, administrative tasks or by attending Parent University workshops and seminars.

See the Volunteering page for a list of volunteer needs, and watch the Monday Message for current volunteer needs at: ileadsantaclarita.org/scvi-families/volunteering/

Families having difficulties meeting the participation commitment should contact volunteers@scvi-k12.org

Hours completed off campus or by learner volunteers can be emailed to volunteers@scvi-k12.org

EXAMPLES OF FAMILY VOLUNTEER WORK

- In-class support as an educator aide
- Adult workshops – parents teaching other parents
- Outside research in support of specific school projects
- Driving on field trips (must register as driver)
- Organizing a community service project for learners
- Supervising at the school – lunch periods, recess, before school
- Operation support – maintenance of the campus
- Hosting an activity in your home or business

NOTE: All volunteers working with children must have a current TB test on file which are valid for 4 years, as well as a LiveScan criminal background check. LiveScan screenings are valid for the full duration of stay at the school. LiveScan can be obtained at various LiveScan locations and could take up to 2 weeks to clear. Please

see the SCVi Charter School website at <https://ileadsantaclarita.org/> for a list of locations as well as the necessary LiveScan paperwork.

RECORDING VOLUNTEER HOURS

All volunteers should record their volunteer hours into the Check In system located in the SCVi Charter School lobby. Hours completed off-campus can be forwarded to volunteers@scvi-k12.org

TRADITIONS

At SCVi Charter School we have several traditions in place. These are the traditions which we consider our cornerstone events:

- Multi-Cultural Feast (Fall)
- Winter Production (Winter)
- Spring School Community Event (ex. Art Festival, Back Yard Bash, School Carnival)

You will be notified of the exact dates for these events, as well as other learning displays and community building events in the Monday Message or via the Events Calendar on the SCVi Charter School website. <https://ileadsantaclarita.org/>

ANNUAL FAMILY GIVING

Annual Family Giving is a tradition at many charter schools in California. As a charter school, SCVi Charter School receives significantly less per child funding from the state than a traditional school would get. In addition to reduced funding, SCVi Charter School directly pays the lease for our buildings.

The SCVi Charter School Annual Family Giving Campaign donations directly benefit every learner by providing hands-on curricula, state-of-the-art technology, field trips, college visits, art materials, professional development, and the day-to-day operating expenses that are not funded by the state of California.

Annual Family Giving Campaign is an important part of strengthening your child's school as well as demonstrating our collective commitment to SCVi Charter School. While family giving is voluntary, our school expenses are mandatory, and no financial gift is too small.

SECTION 9: GOVERNANCE

HISTORY

SCVi Charter School's Governing Board is comprised of community leaders passionate about providing innovative educational opportunities within the Santa Clarita Valley. Each of these Board members came to SCVi Charter School with the vision and ability to create and maintain a successful school. For a list of current board members, please visit <https://ileadsantaclarita.org/>.

SCHOOL GOVERNANCE

SCVi Charter School is governed by a California public benefit corporation with IRS 501c3 tax-exempt status. The school is subject to the Bylaws of the corporation. While SCVi Charter School's charter authorizing agency is the William S. Hart Unified School District, we are self governed, manage our own operations and maintain our own board of directors.

The listing of the current SCVi Charter School Board of Directors can be found on the SCVi Charter School website:<https://ileadsantaclarita.org/>

Decisions made by the Board will be on a majority basis. The Board will oversee SCVi Charter School's policies and operations, and will receive regular reports on the school's academic, financial, and operational progress.

Governing board meetings are open to the public and generally regularly on the campus of SCVi Charter School. Meeting notifications are posted on campus prior to the next scheduled Board meeting. Recorded minutes from past meetings are available upon request from the School Administrative office.

SCVi Charter School is an innovative public charter school organization that works closely with our learners, families and communities to develop leaders for the 21st century. We do so through a rigorous, project-based curriculum, which gives a great deal of voice and choice to our learners. We feel that our schools are on the forefront of project-based learning which is giving our children the skills to thrive, not only in the future, but to be active members of their community today. We thank you for joining us on this journey.
