

SCARLET FOUNDATION

Scarlet Foundation IS a registered 501(c)(3) whose mission is to support SCVi in ways not covered by traditional school funding. Scarlet Foundation is NOT a PTA or governing body!

Last year: **Scarlet Foundation helped fund Campus and facilities improvements, classroom needs, the benefit dinner, spirit wear, field studies, music, and raised 43K for the SPF shade project.**

This year: **Scarlet Foundation is continuing with the building process for SPF.** Some of our priorities this year are: **design tech facilitator funding, more field studies support, laptops for learners. We also want to hear from families, facilitators and administration about ideas for enhancing and improving SCVi.**

Scarlet Foundation fundraises to make these programs happen, mostly through our **ANNUAL GIVING** campaign.

Donate to Annual Giving:
We ask \$600/child, but every penny counts!
What's most important is that every family participates.

www.scarletparents.org

Serve on the board! Scarlet Foundation needs to fill VP of Fundraising and VP of Communications!
