

BE A Superhero and Help the Class of 2020 Raise Funds for Senior Milestone Events

Senior year is full of exciting opportunities and events that mark this big milestone in our learners' lives. The cost of these events adds up. We have a few opportunities to keep costs down. **Here are four ways you can help:**

Comfort Kit Donations

- Senior families we need your help! The Class of 2020 is selling Comfort Kits at **Back to School Night, Wednesday, September 4**. All of the funds raised will go towards lowering the cost of senior events. Our goal is to make and sell at least 300 kits. We need your help to purchase the items for the kits. - *Donations can be dropped off up to the day of Back to School Night at the Upper School Office.*

Welcome Back GLOW Dance -

- **Friday, September 6 from 6:30-10:30 in Shakespeare Theater.** Each year, the senior class sponsors the first dance. The budget for this year's dance includes glow sticks/decorations, a DJ, pizza, photo booth, snacks and beverages. Whatever we raise over the cost of the dance will go towards senior events. Last year some families also donated the pizza and decorations. The more seniors who pitch in, attend and get involved, the more successful this event will be. *If a senior works this event or volunteers at the Comfort Kit Donation Booth, not only will they be helping to raise funds for the year, but their ticket to the dance will be discounted by \$5.00.* Tickets for the dance are \$15 presale and \$20 at the door.

Donors Choose [Senior Soars Project](#)

- **Donors Choose to fund Senior Retreat High Rope Team Building Costs** - All Funds raised will go towards the cost of the team building high ropes course for all participants. We recognize that each of our Learners are unique and are not the same person that walked into high school as freshmen. The Senior Retreat is intended to give the learners time to reflect how they have grown through their years. The goal is that they are able to know and accept themselves for everything they are (good and bad) and in turn, accept others in the same way. As part of the experience, Senior Retreat allows Learners to reflect on their past and create a game plan for their next steps. In addition, learners will have a chance to participate in a high ropes, canoeing, hiking and an evening campfire.
- Hear what a past senior class family member had to say our senior experience: *"Ms. Sena, We really appreciated how Eden was able to be included and participate in the Senior activities. We learned how special and amazing this school really is. Thanks to you and the incredible facilitators. We felt the love and admiration. Frank & Ande Endewardt"*
- Consider Donating or Share [Senior Soars Project](#) Link on your social media platform.
- ***DUE DATE TO FUND the project is September 14.***

DONATE TOWARDS OUR SENIOR EVENT SCHOLARSHIPS

- Consider donating towards those who need a scholarship when you order [the Class of 2020 Stallion Milestone Package](#) (due date extended to September 30). Add a bit more & help sponsor a senior who may need help. *Just add "Senior Scholarship Donation" in the notes.*
