# Santa Clarita Sister Cities Charity Hike

Hike along the stunning trails at **Rivendale Park and Open Space** in Santa Clarita while making a difference!

Choose between the challenging 5.1-mile **Towsley Canyon Loop Trail** with its panoramic views of the Santa Clarita Valley, or the scenic rolling hills of the shorter 1.6-mile **Elder Loop Trail**.

Funds raised will help to support these Santa Clarita Sister Cities' Local-to-Global programs:

- Youth, educational and cultural international exchanges
- Global collaborative projects, e.g., installation of libraries in schools in Nicaragua; providing school desks for children in Sariaya, Philippines; providing medical cabinets in schools in Tena, Ecuador
- The fostering of international awareness through the Sister Cities Young Artists/Authors Showcase

**Santa Clarita Sister Cities** is a proud member of Sister Cities International, a non-profit citizen diplomacy network founded by President Dwight D. Eisenhower in 1956 to create and strengthen partnerships between U.S. and international communities. The City of Santa Clarita has two Sister Cities — Tena, Ecuador and Sariaya, Philippines.
