

To Parents/Guardians:

Your child is attending a school receiving Title I federal funds through the Elementary and Secondary Education Act (ESEA). At the beginning of each school year, local educational agencies receiving Title I funds are required to notify parents whose learner(s) attend a Title I school that they may request, and the agency will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the learner's classroom facilitators, including at a minimum:

1. Whether the learner's facilitator:
 - Has met State qualification and licensing criteria for the grade levels and subject areas in which the facilitator provides instruction;
 - Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - Is teaching in the field of discipline of the certification of the facilitator.
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like this information, please contact the school at 661-705-4820.

Sincerely,
Martha Spansel and Chad Powell
