

Wellness Policy Implementation Plan

Actions	Steps and Goals	By Whom and When
<p>1. Learners in the SFA (School Food Authority) have access to healthy foods throughout the school day—both through reimbursable school meals and other foods available throughout the school campus—in accordance with Federal and state nutrition standards.</p>	<ul style="list-style-type: none"> <li>a. All meals operating under federal meal programs will meet or exceed federal and state guidelines.</li> <li>b. All foods and beverages sold on campus, during the school day, to learners (including fundraisers) will meet or exceed federal and state guidelines.</li> <li>c. Celebrations occurring on campus, during the school day involving food “offered” for free will meet or exceed federal and state guidelines.</li> </ul>	<p>Food Vendor Facilitators/Fundraiser coordinators Director</p> <p>All meals served as part of the reimbursable meal program will be in compliance prior to the start of the school year.</p> <p><b>Progress Update: June 17, 2022</b></p> <p>We will continue to offer healthy snacks in addition to healthy school meals</p>
<p>2. Learners receive quality nutrition education that helps them develop lifelong healthy eating behaviors.</p>	<ul style="list-style-type: none"> <li>a. The SFA aims to teach, model, encourage, and support healthy eating by students.</li> <li>b. Nutrition education and promotion will be designed to provide students with the knowledge and skills necessary to promote and protect their health;</li> <li>c. Will include enjoyable, developmentally-appropriate, culturally-relevant, and participatory activities.</li> <li>d. Will promote fruits, vegetables, whole-grain products, low-fat and fat-free dairy products, and healthy food preparation methods.</li> <li>e. Will emphasize caloric balance between food intake and energy expenditure (promotes physical activity/exercise).</li> <li>f. Will include nutrition education training for facilitators and other staff.</li> </ul>	<p>Director Facilitators</p> <p>Nutrition education will be vetted prior to being implemented into instruction on an as-needed basis by school staff.</p> <p><b>Progress Update: June 17, 2022</b></p> <p>Nutrition education is currently being implemented in the Upper School Health Class and moving forward will be implemented in Lower School.</p>

<p>3. Learners have opportunities to be physically active before, during, and after school.</p>	<ul style="list-style-type: none"> <li>a. Physical activity during the school day (including but not limited to recess, physical activity breaks, or physical education) will not be withheld as punishment for any reason.</li> <li>b. The SFA will provide learners with physical education, using an age-appropriate, sequential physical education curriculum consistent with national and state standards for physical education.</li> <li>c. All learners will be provided equal opportunity to participate in physical education classes.</li> <li>d. Outdoor recess will be offered when weather is feasible for outdoor play.</li> <li>e. In the event that the school or SFA must conduct indoor recess, facilitators and staff will follow the indoor recess guidelines that promote physical activity for learners, to the extent practicable.</li> <li>f. Recess will complement, not substitute, physical education class. Care team or facilitators will encourage learners to be active, and will serve as role models by being physically active alongside the learners whenever feasible.</li> </ul>	<p>Health/PE facilitators Director</p> <p>Physical Activity/Education will be incorporated into the school day on a regular basis. Curriculum will be created by Health/PE teachers when lesson plans are created for the school year.</p> <p><b>Progress Update: June 17, 2022</b></p> <p>Learners have the opportunity to be physically active when they arrive at school in the morning, during both recess and lunch, and during PE.</p> <p>Learners receive at least 200 minutes of PE every ten days. Curriculum is created and implemented by the Health/PE teachers.</p>

<p>4. School staff are encouraged and supported to practice healthy nutrition and physical activity behaviors in and out of school.</p>	<ol style="list-style-type: none"> <li>a. Staff are encouraged to model healthy behaviors on campus, such as limiting soda or candy consumption in front of students.</li> <li>b. By participating in physical activity throughout the day, if possible.</li> <li>c. By promoting healthy habits to the students through curriculum.</li> <li>d. By promoting the school meal program.</li> </ol>	<p>Facilitators School Administrators and Staff</p> <p>Healthy Habits are encouraged to be displayed throughout the school year.</p> <p><b>Progress Update: June 17, 2022</b></p> <p>Healthy Habits are encouraged and displayed through implementation and practice of the Leader in Me Program for both school staff and learners.</p>
<p>5. The community is engaged in supporting the work of the SFA in creating continuity between school and other settings for students and staff to practice lifelong healthy habits.</p>	<ol style="list-style-type: none"> <li>a. The SFA will actively notify the public about the content of or any updates to the wellness policy annually, at a minimum.</li> <li>b. The SFA will also inform parents of the improvements that have been made to school meals and compliance with school meal standards, availability of child nutrition programs and how to apply, and a description of and compliance with Smart Snacks in School nutrition standards.</li> <li>c. School Wellness Committee will communicate to the families at the school(s) and the community how others can participate in the development, implementation, and periodic review and update of the wellness policy through a variety of means appropriate for that SFA.</li> </ol>	<p>Community partners Wellness Committee Families of Learners Enrolled</p> <p>Families will be notified of the wellness policy each year at the beginning of the year.</p> <p>Assessment results of the policy will be communicated to families as assessments are conducted.</p> <p><b>Progress Update: June 17, 2022</b></p> <p>Families will be notified of the wellness policy each year at the beginning of the year.</p> <p>Assessment results of the policy will be communicated to familie as assessments are conducted.</p>

**Does Your Local School Wellness Policy Measure Up?** A local school wellness policy (LSWP) is a written document that guides a local educational agency (LEA) or school district's efforts to establish a school environment that promotes students' health, well-being, and ability to learn. Use this checklist to review and update your wellness policy and ensure it meets all requirements written in *SEC. 204 of Public Law 111-296 Local School Wellness Policy Implementation* and the Code of Federal Regulation 210.30 and 220.7 and all Final Rule guidance.
